2019 System Goals

• Reduce the number of persons who are homeless and are in the homeless system (One List), overall and for identified subpopulations.
  • Subpopulations: chronic homeless, street homeless, families, youth, veterans.
• Reduce the time persons remain homeless.
• Homeless dedicated units should all be filled utilizing the coordinated entry system (CES).
• Increase the earned income and/or other income of adults served in the homeless services system.
• Increase persons who exit street homelessness to enter sheltered destination (ES, SH, TH, PH)

CoC Board’s Role to Prepare for CoC Funding

- Approve system goals that guide prioritization
- Board is final stop on any appeals
- Approve formal prioritization policy to guide ranking of projects
Considerations & Rationale

• Prioritize Rapid Rehousing (RRH) projects (RRH and Joint Transitional Housing-Rapid Rehousing) for both renewals and new projects – Pipeline Expansion

• Significant changes in the 2019 Local Evaluation Instrument process – SPEC; Evaluation Tool Subcommittee

• Implementation of Monitoring and Technical Assistance (TA) protocols – Performance/Data/Research; Monitoring Workgroup

• Focus on priority populations – Coordinated Entry
