Comments: Better location with parking and better seating arrangement. Not comfortable sitting for 3 hours. Need tables and chairs.

6. What one word best describes your experience at the meeting?

Frustrating

7. Please provide any additional feedback.

The agenda and voting items should be sent out in advance to all members who registered for the meeting. It is difficult to make decisions on the spur of the moment, and organizers should not assume that members know the materials prior to the meeting.

Also, there were 3 presentations. Why did you ask for feedback on only one of them?

2. Thank You!

7. Please provide any additional feedback.

All Chicago continues to communicate poorly with all the various members of the CoC. E-mails are spotty, frequently things seem done at the last minute, and staff need more experience in the reality of the service providers that make up the CoC.

frustrating

I appreciate the addition of the parliamentarian since there were many concerns about procedures. The while meeting was a frustrating experience: from check-in, to figuring out who was there and could vote, to the issue with different ballots for the ammendments.
