

Motion #1: Action Agenda Vote

In December 2017, the CoC voted to test the CoC Action Agenda, a strategy and work plan for the CoC, All Chicago, and the Chicago Department of Family & Support Services (DFSS) to be more responsive, collaborative, and action-oriented in our work to end homelessness. A key component of the Action Agenda was testing an implementation infrastructure of action-oriented work groups. In December 2018, the motion to affirm the implementation work group structure was tabled until the June 2019 All CoC meeting.

At its June 19, 2019 board meeting, the CoC Board of Directors recommended that the motion to affirm the CoC Action Agenda implementation work group structure go to the CoC Membership for discussion and vote at the June 26th All CoC Meeting. The Board further recommended that All Chicago and DFSS report progress updates on the CoC Action Agenda Refinement Plan developed in response to Service Provider Commission and Lived Experience Commissioner recommendations for improving how the structure functions.

Action needed: Designated voters of the CoC Membership affirm the CoC Action Agenda implementation work group structure as the new implementation structure for the CoC, with the understanding that progress updates on the CoC Action Agenda Refinement Plan will be reported on at every CoC Board of Directors meeting.

Motion: The Chicago CoC affirms the Action Agenda implementation work group structure as the new implementation structure for the CoC with the understanding that progress updates on the CoC Action Agenda Refinement Plan will be reported on at every CoC Board of Directors meeting.

Motion #2: New Board Committee Structure Vote

At its December board meeting, the CoC Board of Directors voted to create an ad-hoc board committee, known as the Ad Hoc Charter Committee, to fulfill the following tasks: 1) a national scan of CoC charter best practices; 2) update the Charter to fully reflect the new CoC board governance; and 3) formally address the inclusion of Youth Advisory Board participation on the CoC Board slate. The committee is comprised of four Board members and three at-large CoC members and is chaired by Audrey Thomas, a service provider on the Board. The Committee conducted its work from March to May 2019. The Committee was also charged with collecting public comment on proposed changes in advance of any vote on charter revisions. The feedback was collected in May.

The Ad Hoc Charter Committee conducted a national scan of CoCs, which validated that the Chicago CoC governing structure is aligned with HUD expectations and best practices of other CoCs. After review of public comments via an electronic survey affirming the Board Committee structure changes, the Committee recommended to the CoC Board of Directors at its June 19 meeting to move forward with the new board committee structure with one exception. Regarding Article 7, Section 2: Membership of Committees: Public Comments were clear that there is not agreement for “only one board member per committee”. The Ad-Hoc Charter Committee recommends that this section of the Charter be part of future Charter amendment work.

Action needed: Designated voters of the CoC Membership affirm the revised Board Committee structure and that the Board Affairs Committee address revisions to the entire Charter and report back at each Board Meeting until charter revisions are complete and finalized.

Motion: The Chicago CoC affirms the new Board Committee structure approved at the December 2018 Board of Directors meeting, and have it codified in the CoC Governance Charter. In addition, progress reports will be provided at the Board of Directors meetings until all revisions are completed and finalized.

Board Committees (Beginning in 2019)

The new committee structure:

- 1) Streamlines CoC and Board governance activities into four Board committees;
- 2) Supports better connections across related activities;
- 3) Moves implementation activities of some legacy committees into the CoC implementation work structure;
- 4) Creates more efficiency in staffing for board committees and implementation work groups; and
- 5) Offers the opportunity for CoC members currently participating in governance committees to spend more time in implementation work groups where a wide range of voices, expertise, and leadership is needed.

The board committee structure consists of the following governance committees: Executive, Finance, Board Affairs, and System Operations and Performance (SOP). There will also be a Collaborative Applicant Subcommittee of the SOP committee. Each board committee will prepare a new scope of work to define its annual responsibilities and areas of oversight and submit to the board for review and refinement by February 2019.

Board members (including alternates) may only serve on one committee at a time. Nominations for committee slates will be made in early January. Minimum and maximums listed on the committee chart are for board member participation. Each committee will also create a plan to engage non-Board members in their work which will be communicated to the CoC for additional recruitment purposes.

As part of its charge, the Ad Hoc Charter Committee explored how a the YAB would have representation on the CoC Board. LEC members of the Ad Hoc Charter Committee and YAB members held a joint meeting in early May to discuss the matter. In addition, prior to the January 2020 Board Meeting, the YAB representative and alternate are encouraged to attend the 3 remaining Board Meetings of the year as part of their orientation to the roles and responsibilities of the Governing Body.
