

# **FY2018 Chicago Continuum of Care (CoC) Ranking Policies and Final Ranking Listing**

*Developed by the Project Prioritization Workgroup*

## **Background**

The Project Prioritization Workgroup (PPWG) is made up of members representing service providers, people with lived experience, and key stakeholders representing government, philanthropy, research and community members. The members included:

The 2018 PPWG members are:

Renita White – service provider

Lore Baker – IDHS

Jenny Hansen – United Way

Rachel Reichlin – Michael Reese Health Trust

Jill Wohl – service provider

Alexis Canalos – service provider

Chris O’Hara – lived experience

Fred Friedman – lived experience

Ruth Coffman – Urban Labs

Khen Nickle – community at-large

Sharon Cargile – lived experience

The 2018 Project Prioritization Workgroup (PPWG) was formed to:

- 1) Develop and implement a process to select projects for FY 2018 HUD CoC-program funding through “bonus project” funds and reallocation funds;
- 2) Based on its selections, make recommendations to the Chicago CoC Board of Directors, and;
- 3) Formulate and recommend project ranking policies to the CoC Board of Directors

In addition to the members, the PPWG was led and supported by All Chicago (Collaborative Applicant) staff:

Dave Thomas, VP of Community Partnerships

Karen Kowal, Director of CoC Programs

Gayle Keller, CoC Program Coordinator

PPWG Meeting Dates: May 9, May 24, June 4, June 18, July 13, July 20, July 30 and August 6. In addition, All Chicago hosted and recorded a Project Ranking Webinar for PPWG members on August 1.

## **HUD Priorities & NOFA Scoring**

The response to HUD’s FY 2018 Notice of Funding Availability (NOFA) is due by September 18, 2018. Project Applications were required to be submitted to the Chicago CoC by August 17, which is 30 days before the NOFA deadline.

The focus of HUD’s Homeless Policy and Program Priorities for this NOFA are:

- Ending homelessness for all persons
- Creating a systemic response to homelessness

**FY2018 Chicago Continuum of Care (CoC)  
Ranking Policies and Final Ranking Listing**

- Strategically allocating and using resources
- Using a Housing First Approach

**NOFA Scoring Guidelines:**

- Sections of the CoC Application will be scored up to 200 points for:
  - CoC Coordination & Engagement – 48 pts.
  - Project Capacity, Review and Ranking – 29 pts.
  - HMIS – 13 pts.
  - PIT – 6 pts.
  - System Performance – 56 pts.
  - Performance & Strategic Planning – 48 pts.
  - CoC Merger Bonus Points - 25
- For New Project & Renewal Applications, up to 100 points will be rewarded for:
  - CoC Score (application) – 50 pts.
  - CoC Project Ranking – 40 pts.
  - Housing First – 10 pts.
- All projects, except the CoC planning application, must be ranked in Tier 1 or Tier 2.
- Tier 1 is equal to 94% of the Annual Renewal Demand (ARD), and Tier 2 is equal to the remaining 6% plus any amount available for bonus projects, including domestic violence bonus project funding.
- HUD will allow a project to straddle Tier 1 and Tier 2.

**PPWG Ranking Policy for the FY 2018 Priority Listing**

The PPWG reviewed the HUD ranking guidance, past ranking policies, system priorities and various other factors and recommended the following ranking policy for the HUD CoC Funded projects for the FY2018 NOFA. The CoC Board of Directors reviewed and approved the policy on August 15, 2018.

Tier 1	<ol style="list-style-type: none"> <li>1. Renewal Coordinated Entry SSO projects.</li> <li>2. Renewal HMIS projects.</li> <li>3. New Coordinated Entry SSO projects from bonus project funding.</li> <li>4. Renewal projects based on the average of the 2017 and 2018 local Evaluation Instrument Scores.</li> <li>5. Projects funded through reallocation.</li> </ol>
Straddle	<ol style="list-style-type: none"> <li>6. Project funded through reallocation.</li> </ol>
Tier 2	<ol style="list-style-type: none"> <li>7. Remaining 33% of bonus project funding allocation, (i.e. 33% of bonus funding minus the bonus dollars allocated to New Coordinated Entry SSOs in Tier 1) and using new project evaluation scores.</li> </ol>

## **FY2018 Chicago Continuum of Care (CoC) Ranking Policies and Final Ranking Listing**

8. Remaining renewal projects based on the average of the 2017 and 2018 local Evaluation Instrument Scores.
9. Domestic Violence Housing Bonus Projects.
10. Remaining bonus allocation based on new project evaluation scores.
11. Domestic Violence Coordinated Entry SSO bonus project.

### **Considerations and Rationale**

The PPWG met eight times between May and August 2018. Members underwent orientation on the Department of Housing and Urban Development's (HUD's) NOFA process, CoC-funded programs, and became familiar with the local evaluation instrument, application and appeals processes to receive HUD CoC funding.

The PPWG developed the ranking policy above with strong consideration for the local evaluation instrument scores, HUD guidance and priorities, Chicago's Plan 2.0 to End Homelessness, and Chicago's System Goals.

- **Coordinated Assessment SSO and HMIS:**

The PPWG determined that the Coordinated Entry-SSO and HMIS grants provide necessary resources to improve the capacity of the Chicago CoC to effect system change, improving the efficacy of projects across the city and supporting the realization of Plan 2.0. The PPWG recommended placing these projects at the top of Tier 1. This includes three renewal Coordinated Entry SSO projects, HMIS project, and two new Coordinated Entry-SSO projects.

- **Renewal Project Ranking:**

Because the local evaluation tool already accounts for considerations related to program model, the PPWG did not separately rank renewal projects according to their program model type. The PPWG ranked projects using the total evaluation instrument score, averaging the last two years (2017 and 2018). Allocation to Tier 1 or Tier 2 was determined based on these rankings, bounded by the amounts allowed by HUD in each tier.

- **Reallocation:**

#### Voluntary Reallocation

The 2018 local evaluation instrument released in February 2018 included a question which allowed HUD-funded service providers an opportunity to voluntarily reallocate a percentage of their grant(s) back to the Continuum of Care instead of returning unspent funds to HUD. The voluntary reallocation amount was based on the average amount of funds that were returned to HUD over the past three years. Organizations had the opportunity to permanently reallocate the entire average or at least 80% of the average amount. Four organizations (7 programs) agreed to reallocate grant funds. The total reallocation amount is \$380,429.

## **FY2018 Chicago Continuum of Care (CoC) Ranking Policies and Final Ranking Listing**

### Involuntary Reallocation

In 2018, All Chicago recommended to the community that three CoC funded projects be involuntarily reallocated. The recommendation was based on the organization's HUD audit findings still open more than a year later, incongruity between Housing First policies and practices, and lack of consistent utilization of the Coordinated Entry System to fill its units. The Chicago CoC Board of Directors' Appeal Panel confirmed support of the involuntary reallocation. In total, the three grants' reallocation total is: \$1,585,057.

The PPWG recommended that four projects funded through reallocation processes be placed in Tier 1 reflecting the Continuum's commitment to prioritizing higher performing projects. One of the projects will be the "straddle" project between Tier 1 and Tier 2,

- **Bonus Projects, Including Bonus Projects for Survivors of Domestic Violence:**

The Chicago CoC bonus project funding availability is \$4,023,242 based on 6% of the CoC's ARD. Additionally, the Chicago CoC has up to \$5,000,000 for domestic violence bonus project funding availability.

The PPWG recommended that the two new Coordinated Entry-SSO projects in Tier 1 be funded through bonus project funding. In addition, the remaining bonus project funding goes towards bonus projects for nine types of programs – all eligible program types. The PPWG recommended two housing-specific DV projects and one DV Coordinated Entry-SSO project be funded with the DV bonus project funding.

The PPWG recommended Tier 2 be structured to include 33% of remaining bonus projects (non-DV) ranked by new project evaluation scores at the top of Tier 2 immediately after the straddle project followed by the remaining renewal projects ranked by local Evaluation Instrument average combined scores from 2017 and 2018. The PPWG recognized the priority of having new DV housing bonus projects be ranked immediately after the remaining renewal projects with the remaining bonus projects (non-DV), ranked by new project evaluation scores, be ranked next but before the DV Coordinated Entry-SSO project at the bottom of Tier 2.
