Instructions:

Prior to starting the CoC Planning Project Listing, Collaborative Applicants should carefully review the "CoC Priority Listing Detailed Instructions" and the "CoC Project Listing Instructional Guide," both of which are available at: <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources>.

To upload the CoC planning project application that has been submitted to this CoC Planning Project Listing, click on the "Update List" button. This process may take a few minutes as the project will need to be located in the e-snaps system. The Collaborative Applicant may update each of the Project Listings simultaneously. The Collaborative Applicant can wait for the Project Listings to be updated or can log out of e-snaps and come back later to view the updated list(s). To review the CoC Planning Project Listing, click on the magnifying glass next to view the project details. To view the actual project application, click on the orange folder. If there are errors identified by the Collaborative Applicant, the project can be amended back to the project applicant to make the necessary changes by clicking on the amend icon.

Only one CoC Planning project application can be submitted by a Collaborative Applicant and must match the Collaborative Applicant information on the CoC Applicant Profile. Any additional CoC Planning project applications must be rejected.

Note: A total of 24 individual renewal projects pursued the Consolidated Application process offered in the FY2018 HUD CoC Program NOFA Competition. Chicago ranked consolidated applications utilizing the highest-ranking number of the current individual renewal project application (as listed in the individual renewal ranking listing released on August 30, 2018). Current HUD guidance encourages CoCs to improve utilization of current resources by strategically allocating and using resources. If all grants are awarded and approved for consolidation, HUD will award the single consolidated grant. If one of the grants proposed to be consolidated is found to be ineligible for consolidation or is not selected, HUD will award all grants that are eligible for renewal and selected as separate grants and will follow the rank number of individual renewal project. See Section V.B.3.a.(7) of the FY2018 NOFA for additional requirements. The fully consolidated project is highlighted [redacted] Individual projects making up the consolidation are highlighted [redacted]
