**Proposed Meeting Rules for Voting**

1. All CoC Members (voting and non-voting) may speak to the motions.
2. Eligible voters will sit in a designated section of the auditorium, apart from general audience members, in order to make it easier for All Chicago support staff to count any potential raised-hand votes that may be necessary.
3. Each person wishing to speak to the current motion under deliberation will approach the microphone table, state their name and group affiliation to be recorded for the speakers list. Individuals will speak in turn on a first-come basis.
4. Each speaker shall speak for no more than four (4) minutes at a time. No person shall speak a second time until all who wish to speak first have done so.
5. All remarks will be addressed to the Chair.
6. Comments must be related to the issue under discussion.
7. Formal discussions shall be limited to no more than 15 minutes allowing for balanced time, to the extent possible, for those who may be in for or against.
8. These rules may be amended by a two-thirds vote of those members present and voting.
