

GET THE FACTS

CORONAVIRUS DISEASE 2019 (COVID-19)

Symptoms can include:

Fever

Cough

**Shortness of
Breath**

Protect yourself and others:

- Avoid close contact (within about 6 feet) with people who are sick.
- Cover your coughs and sneezes.
- Avoid touching your eyes, nose, and mouth.
- Avoid sharing personal items.
- Use hand sanitizer or wash hands with soap as you are able.

If you are feeling sick:

- Alert your health care provider or an outreach worker during well-being checks.
