

### Webinar Take Aways

- **This webinar presents a panel discussion. The panelists discuss how the Westside Homeless COVID Response group is responding to needs related to:**
  - Creating and strengthening healthcare and homeless provider partnerships to address needs of homeless population during the COVID-19 outbreak and beyond.
  - Symptomatic clients in shelters.
  - Screening in shelters and congregate living facilities.
  - Shelter operation considerations.
  - Wellness/whole-health considerations for clients.
- **Questions**
  - Submit questions to: [WestSideHomelessCovidResponse@gmail.com](mailto:WestSideHomelessCovidResponse@gmail.com)
  - The group will provide updates to submitted questions in the coming days.
