

## 2020 BREAKFAST WITH ALL CHICAGO

### SPONSORSHIP OPPORTUNITIES & BENEFITS

**Join us for our first virtual *Breakfast with All Chicago!***

This year, as our city and our homeless system have faced the unprecedented challenges of COVID-19, our collective work to prevent and end homelessness has grown in importance. **As we continue this critical work, your support is more crucial than ever. We hope that you will consider an event sponsorship and join us virtually on October 7, 2020.**

**Your support makes our work possible:**

#### **System-wide Leadership and COVID-19 Response:**

- All Chicago President and CEO Carolyn Ross joined Governor Pritzker on March 27 to announce our new Agency Emergency Fund to support our partner agencies as they work quickly to adapt to coronavirus and modify their programs to continue serving clients safely. **So far, we have distributed \$6 million in support.**
- As the lead agency for Chicago's Continuum of Care, All Chicago is the backbone for Chicago's citywide response to homelessness. We partner with 43 agencies and lead them through a year-round research, evaluation, planning, and federal funding application process. **This year, we secured over \$76 million in federal funds for 140 projects addressing housing in Chicago.** Through our work, homelessness has decreased 22% since 2015.

#### **Homelessness Prevention:**

- Our Emergency Fund has always served our neighbors who need a little financial assistance to get through a temporary crisis. During COVID-19, as expected, we've seen a sharp uptick in demand for this financial assistance. Last year, we served over 3,600 households with \$3.9 million in support. This year, we are on track to serve even more.

#### **Supporting Students:**

- Through our Student Emergency Fund, we provide financial assistance to college students who are at risk of dropping out of school because of a crisis. Since many colleges closed their campuses abruptly this spring, students have faced unique challenges, and we have increased our support to meet this need. Last year, we served 630 students with over \$291,754. Already this year, we have distributed approximately \$450,000.
