

Before Starting the Project Listings for the CoC Priority Listing

The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.
- Project Listings:

- New;
- Renewal;
- UFA Costs;
- CoC Planning;
- YHPD Renewal; and
- YHDP Replacement.
- Attachment Requirement

- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New and Renewal Project Listings – all project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.
- Project applications on the following Project Listings must be approved, they are not ranked per the FY 2022 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- YHPD Renewal Project Listing; and
- YHDP Replacement Project Listing.
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked BEFORE submitting the CoC Priority Listing to HUD in e-snaps.
